YARROW COMMUNITY SCHOOL

Facility Rentals are back in full swing, if you're interested in booking a birthday or family party call 604-823-0257.

There is a real need for licensed **Child Care** programs in our community with all the new young families moving to town, We are fully enrolled but if you are looking for future care please call Sally at 823-0257 to arrange picking up a registration package and getting on our wait list .

CYCLING WITHOUT AGE – YARROW/CHILLIWACK

The Cycling Without Age program is a FREE cycling service that helps isolated seniors, or others with mobility issues get out of their homes and into the great outdoors. Our program helps some of our most vulnerable citizens get out for some fresh air and fun. Our bikes are equipped with very cozy, weather- proof lap blankets, so we are ready to go even on some of these chilly days. We have just purchased a third bike to add to our fleet, this is possible through a partnership with UFV. To find out more about our program, maybe book a ride, or if you are interested in volunteering please check out our FB page at Cycling Without Age-Yarrow or email sallylum@shaw.ca

FAMILY KITE MAKING FUN! Hot Dog Bbq too – FREE! But you must be pre-registered. Friday, May 26th 5-7pm We will make, decorate and fly our kites on the back field if the weather cooperates.

REPAIR CAFÉ- Those who joined us for our first ever attempt at The Repair Café encountered some dedicated and enthusiastic volunteer fixers trying to help keep some of our broken things out of the landfill. Thanks to the volunteers and the United Way for some funding support and watch for more info on our next Repair Café in the Fall.

YARROW TYKES FALL SOCCER – Registering now for the Fall Tykes Soccer program for kids age 4 – 6 yrs. We play here Saturday mornings starting in Sept.

Look on our Yarrow Community School Programs FB page to get more info about registering.

**** ZUMBA** is returning to Yarrow Community school! Watch on FB for more info as the program comes together.

OK. We are not fuddie-duddies! We are not Zoomers! We are not Mensa members-yet! We are the Yarrow Seniors Society. And we need YOU! So there!! We get together at the Yarrow Community Hall every Wednesday at 12 noon. Come and join us. You won't be sorry.

I am told that once-upon-a-time there were close to 200 members. That must have been a long time ago. I've been part of the group for nearly 20 years and our weekly numbers have always been in the 14-16 range. During Covid, we shut down for several months. Now we are in a rebuilding phase and our numbers are closing in on 14 once again. Typically, prior to Covid, we commenced our Wednesday afternoons at 12:30 PM. Last fall however our members elected to each bring their own bag lunch at 12 noon. We enjoy kibbutzing around the table for half an hour or more before starting whatever we want to do for the remainder of the afternoon. That might involve games of Cribbage. Or Scrabble. Or Quirkle (I'm told that that IS a MENSA game). If you enjoy hiking, we have that too. (The dyke is right beside the Hall!) Go for a hike then come and join us afterwards. (Or vice versa-join us first THEN go for a hike!) Or what have you! If you have a game that you think we should know about, then by all means bring it and teach it to us! We are definitely open to meeting new friends and doing new things. You will have to pay us a visit to learn some of the other interesting and enjoyable things we do. Seriously folks. Covid may be fading into the background a bit but it has left many of us feeling isolated or, at the very least, a bit removed from our neighbours and neighbourhood. We need one another! We do need YOU!

See you Wednesday at Noon!

(For further info, call Bev at 604-823-7232.)

Yarrow Days Parade

The parade is just one component of Yarrow Days, but what would Yarrow Days be without a parade? The parade is a highly anticipated part as it marks the official start of Yarrow Days. But don't forget the morning Fun Run at 8am!

While the organizers of the parade take every effort to ensure the safety of the spectators and the participants, we are asking that everyone do their part. Yarrow Central becomes quite busy with spectators, especially the areas near Pioneer Park. The road must stay clear of spectators so the participants can freely parade down the road. The organizers have asked the participants of the parade to hand out the candy instead of throwing it, however if some end up on the road, we are asking that everyone remain on the sides of the roads. While it is tempting for little ones to run on to the road to grab the candy, we ask parents to wait until the completion of the parade to let their children get the candy.

If everyone does their part, we can continue to enjoy the Yarrow Days parade for many years to come. Please note that the Yarrow Central Road and all the side streets between Wilson Road and No. 3 Road will be closed through the parade. The roads will close at

9:45am and re-open at the end of the parade. Please plan around the road closures if you are driving in or out of Yarrow.

Thank you,
Sheila Lum – Yarrow Days Chair

P.S. If you are interested in entering the parade, you can find the registration at <https://forms.gle/e15YRjYDBzqHFegP7> or at <https://www.yarrowcommunity.com/yarrow-days-2/>

Yarrow Days Saturday Morning Breakfast
 Served from 8-10 at the Yarrow Canadian Reformed Church. It is free but we are accepting monetary and food donations for the Salvation Army food bank.

All day free parking on Saturday in the parking lot.

The Yarrow Volunteer Society Bursary

is awarded to a graduating high school student who resides in Yarrow and has made an outstanding effort to assist with the events we host.

Sophia Klassen has earned this award after a lifetime spent helping at the Fun Run and Kids' Games during Yarrow Days, helping with our suppers and as an organizer with Yarrow MB Youth who often donate a day of deep cleaning at the community centre each year. She managed this on top of other volunteer commitments along with a full scholastic and sporting schedule.

When asked to share her thoughts on what volunteering and community means to her Sophia stated that volunteer hours gave her a new perspective on giving back along with new connections to community. She gained experience with problem solving, on "making time" and realizing abilities. She spoke of interacting with interesting people she would not have met any other way and of the useful skills she acquired.

Sophia intends to continue her education with the goal of becoming an engineer. We have no doubt she will excel at that too.

"It's not so much what we have in this life that matters. It's what we do with what we have."~ Mr. Rogers

"Imagine what our real neighborhoods would be like if each of us offered, as a matter of course, just one kind word to another person." ~ Mr Rogers

Barrowtown School

Spring is in full swing at Barrowtown School. We have been busy expanding our Agriculture program. We were able to triple our outdoor garden space with new garden boxes as well as clean up the existing gardens and greenhouse this March. The students have been busy planting and able to see the plants starting to grow. We were able to sell some of these at our school plant sale.

Inside the school, the students have been able to help grow lettuce in our garden towers, we are lucky to have 3 towers inside. They have been helping plant the seeds and harvest from these towers.

They have also welcomed our new additions of Belle and Piglet the school bunnies. The students have enjoyed learning about animal care for them.

We have also added some chicks, hatched in the K/1 class this month. As these chicks grow they will be moved to our new Chicken Coop outside.

We want to thank our community for supporting us through donations for our projects as well as to everyone who came to our 1st Spring Market and Plant Sale. We had a great day and loved seeing you all there.

For those looking for an agriculture focused school for next year, we are accepting out of catchment as well as out of district. Call the school for a tour, we would love to meet you!

New Roof For Yarrow Community Centre

The hall is 25 years old. Replacing the shingles has been on the agenda for a while now with Covid and the uncertainty it wrought postponing this critical update. The contractor we chose will be dealing with weather damage to the fascia during the upgrade. It's gonna be good to go for another generation.

This humble scribe has a vested interest in it but I hope the townsfolk know how important this building is to our community. It gives a home to start-up food production businesses, hosts our library, a seniors' centre, 3 churches, yoga, dog training, 4-H, Girl Guides, weddings, memorials, baby showers, birthdays, business seminars—all manner of social events all year long.

It was built and is maintained by the Yarrow Ratepayer's Association, a tiny charity with 12 directors who all are your neighbours. Most of them have their photos in this issue of the newsletter because we sit on the board of the Yarrow Volunteer Society as well.

Yarrow is known as the most engaged neighbourhood in Chilliwack. The community centre is the glue for that engagement. Lucky us!
